

Chris Norman & Band

Live in Berlin - Junction 55 Tour

He is a true icon of international rock music and, with his extraordinary talent as a singer/songwriter, played a decisive role in shaping the soundtrack of countless teenagers in the 80s and 90s - there was hardly a cassette that didn't feature 'Midnight Lady' or one of his other big hits.

Both as the frontman of his legendary band Smokie and as a solo musician, Chris Norman has achieved pretty much everything you could ever dream of as a musician: 21 hit singles, including numerous number 1 hits, 22 albums and well over 20 million records sold internationally. comprise his illustrious career.

His solo single 'Midnight Lady' became a huge hit throughout Europe and stayed at number 1 in the official German charts for six weeks. With countless other unforgotten evergreens that are still sung and celebrated all over the world today, the singer and guitarist from England has won himself a very special place in the hearts of his fans. Thanks to his unmistakable voice, Chris Norman can still touch millions of people today with his typical guitar rock and timeless hits

He proved this during his tour of Germany in April 2024. His set included such Smokie hits as 'Living Next Door To Alice', 'I'll Meet You At Midnight' and 'Lay Back In The Arms Of Someone' among many others, and essentially 'If You Think You Know How To Love Me' Smokie's very first hit single.

Despite his incredibly successful career spanning many decades, the charismatic artist has lost none of his special charisma on stage, which could also be due to the fact that showbiz has been in the heart of this celebrated star for years, inherited from his parents and grandparents who also were in the business.

Under the influence of various musical greats, Chris Norman developed his very own sound over time, which finally led to his big solo breakthrough in the 80s and still forms the basis for his shows today.

His new album 'Junction 55' was released in February 2024. The 12 brand new songs were all written either by himself or in collaboration with partners such as Pete Spencer, Geoff Carline and Mike Chapman.

Like his earlier songs, the new tracks are the hallmark of a true singer/songwriter with timeless melodies and memorable harmonies. The title 'Junction 55' has a special meaning for the singer: "The album title reflects the fact that I'm at a new point in my career - it's been 55 years since I became a professional musician," added Chris.

Chris Norman undoubtedly belongs to a generation of musicians who regard the stage as their second home. The exceptional artist's concerts have always resembled a remarkable display of first-class rock music. Wherever Chris Norman and his band are on the stage, fans can be sure to get everything that makes a great Chris Norman concert: his unmistakable husky voice, soulful ballads and authentic, genuine rock.

The DVD 'Live in Berlin - Junction '55 contains hits from Chris Norman's time with Smokie as well as his solo years. With over two hours of material, it offers an unforgettable experience full of well-known songs and a rousing live atmosphere. A real highlight for every fan and music lover!
